## Support Needed for 8<sup>th</sup> Annual Health and Safety Fair

**FONTANA** – San Bernardino County Second District Supervisor Paul Biane is inviting local businesses and organizations to join the team of community supporters who have made the annual Health and Safety Fair a tremendous draw for the past seven years.

“Several thousand residents come to the Health and Safety Fair every year to receive free health screenings, safety information, and to participate in games and other fun activities,” Biane said. “Community support drives the success of the event, and the sluggish economy has really impacted the amount of support we’ve been able to gather this year.”

The 8<sup>th</sup> annual Health and Safety Fair will be held from 10 a.m. to 2 p.m. on June 12 at Jack Bulik Park in Fontana. Returning supporters for this year’s fair include Burrtec Waste, South Coast Air Quality Management District, Kaiser Hospital, Molina Health Care, San Bernardino County Public Employees Association, San Bernardino County Safety Employees Benefit Association, San Bernardino County Professional Firefighters Local 935, the Inland Empire Health Plan, 99.1 KGGI, Radio Disney, and others.

Businesses and organization that would like to become community supporters of the 8<sup>th</sup> annual Health and Safety Fair should contact Supervisor Biane’s office at (909) 945-9297 or e-mail him at [SupervisorBiane@sbcounty.gov](mailto:SupervisorBiane@sbcounty.gov).
