Date: July 2, 2010

Ramos Takes Reins of CDAA

San Bernardino, CA – San Bernardino County District Attorney Michael A. Ramos was sworn in as President of the California District Attorneys' Association (CDAA) at a ceremony held Thursday, July 01, 2010. The organization, whose membership includes District Attorneys from across the state of California, is meeting this week at its semi-annual conference in Monterey, CA. Ramos' term as President will be for one year.

Ramos commented, "I am truly honored to be given the opportunity to lead CDAA during the next year. The organization, like the rest of the state, is facing critical challenges with the current budget. However, my intent is to continue to advocate for victims' rights and to work with my fellow District Attorneys to build on CDAA's fine tradition of leadership and training for attorneys."
