### Leibrich Named Investigator of the Year

San Bernardino, CA - Senior District Attorney Investigator Michael Leibrich of the San Bernardino County District Attorney's Office was selected as a recipient of the California District Attorney Investigators' Association's (CDAIA) prestigious Joseph P. McClure Investigator of the Year Award. Leibrich was selected from among California's 1,600 DA Investigators as co-recipient of the 2010 Investigator of the Year Award. The award recognizes excellence in investigative endeavors while also considering the level of community involvement demonstrated by the recipient.

Leibrich started his law enforcement career in 1983 as a deputy with the Los Angeles County Sheriff's Department. In 2003, he joined the San Bernardino County DA's Office and was assigned as an investigator in the real Estate Fraud Unit. Leibrich has been the lead investigator on numerous high profile fraud investigations that led to convictions and prison commitments for defendants found guilty of preying on hapless victims.

Investigator Leibrich received this award from CDAIA President Dave Markss during a recognition banquet in Monterey on July 1. District Attorney Michael Ramos, Chief Investigator Mike Smith and Investigator Leibrich's wife and son were present at the awards ceremony.
